To Whom It May Concern:

On March 31, 2001, Paul Giroux from Boston Party Makers provided the entertainment at the MS Walk® at Worcester State College. More than 600 people were in attendance at the Walk.

Paul was great! Not only did Paul rock the house with his great selection of music, he also made sure that the walkers received important safety instructions regarding the Walk. He really got the crowd revved up and excited to be there. Paul worked well with me and was willing to change the format of music to meet the preferences of the people in attendance.

I would highly recommend Paul and Boston Party Makers.

Sincerely,
